Thank you for choosing Vital. You should have already received a Vital Welcome email from no-reply@vitalpos.com providing a link to the Vital Back Office and your user credentials. If you cannot find this email, check your junk/spam folder or contact 800.224.9730.

Follow these steps below to set up your Vital Select X8:

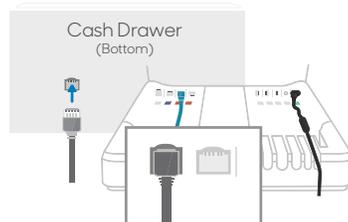

1. Remove the back plate. Pull up and toward you from the bottom of the X8.

2. Connect to power. Connect the X8 Power Supply to the corresponding Vital Select X8 power port and an AC power source.

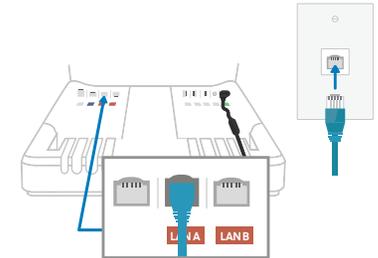

3. If applicable, connect the Cash Drawer. Plug the Cash Drawer Connection Cable into the bottom of the Cash Drawer and the Cash Drawer Port into the back of the Vital Select X8.

4. Connect to the internet.

- If you're using a LAN connection:
 - Using an Ethernet cable, connect the Vital Select X8 to your LAN using the port labeled LAN A.
- If you're connecting through Wi-Fi:
 - Swipe down from the top of the home screen. When you see the status bar, swipe down again.
 - Tap the Wi-Fi icon.
 - Toggle "Wi-Fi On."
 - Select a secure Wi-Fi network.

IMPORTANT: For information on connecting to a secure Wi-Fi network, visit www.vitalpos.com/wifisecurity.

5. Replace the back plate.
6. Log in and set your PIN. Use the credentials found in your Welcome email and follow the prompts to create a new password and PIN.
7. Complete the training on your Vital Select X8 and start taking payments.

IMPORTANT: If you have not already scheduled an appointment to set up and configure your Vital Back Office, please call 800.224.9730.
